

TRAINING FACILITIES

ESL classes are held on campus using the following learning facilities:

Learning Studio

The Learning Studio at Lambton College challenges teachers and students to engage in new ways of teaching and learning, using new technologies. Utilizing Active Learning and Strengths-Based strategies, The Learning Studio at Lambton College focuses on providing an interactive and flexible learning environment.

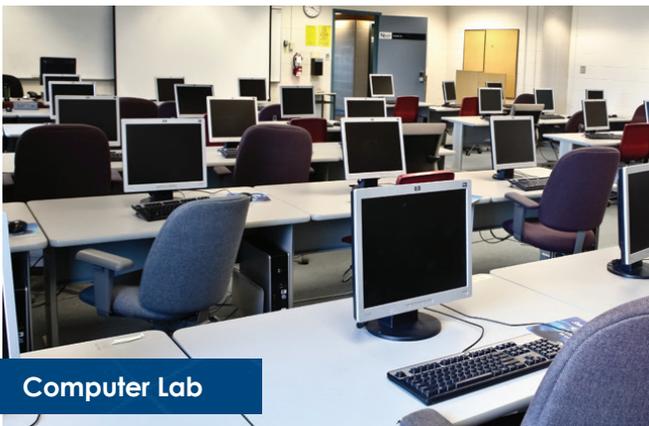

Among the educational technologies available to faculty and students are portable interactive whiteboards and a wireless tablet, interactive smart board, document camera, a dual projection environment, wireless networking and a control system for lighting, projectors and computers. The desks, chairs and furniture in the room are all on wheels, and can be combined in countless configurations to enhance the learning environment.

Multimedia Classroom

With over 50 classrooms and lecture halls, Lambton College is able to accommodate its 3,500 students on campus with well-lit and maintained classrooms. All classrooms are equipped with multimedia equipment that supports the presentation of information designed to supplement oral and written classroom instruction.

Classrooms can accommodate small groups of 20 up to the largest lecture hall which holds 140 students. Focus is on smaller sized classes not only for ESL but for post-secondary classes as well.

Computer Lab

Lambton College has more than 15 computer labs which are used in instruction for a variety of programs and courses. These well-equipped labs are maintained and supported by our strong IT team. Computer labs can accommodate between 20 up to 45 students.

Students also have continuous access to four computer labs 24/7 which allows them to complete assignments or search the internet.

Additional Facilities

Anyone in the ESL program is fully registered as a Lambton College student allowing access to further college facilities including the following:

The Resource Centre has 97 computer workstations that provide access to the student computer network, the internet, e-mail, and word-processing. All LRC computers are connected to a printing network. Four self-service scanners are available. The main book collection is located in the upper level, which also serves as the quiet study area.

Students at Lambton stay active by participating in both intramural and varsity sports. In addition to organized sports, all full-time students at Lambton College have access to a workout facility at no extra cost.

The cafeteria serves hundreds of students daily. It takes pride in providing the highest quality food service to the College community. For decades, there has been a commitment to provide customized solution to help students achieve at the highest levels. Students have access to Market Place, Tim Horton's, Extreme Pita and On the Go kiosk.

Students can relax between classes at the Lion's Den by sipping coffee or having lunch. There are large-screen TVs and pool tables for leisure.

Students are encouraged to use this 1,800 square foot facility. The centre has strength and circuit training equipment, treadmills, stair masters, upright bikes and free weights.

SAC is dedicated to the operation and implementation of clubs to serve the needs of the student body. During orientation, visit the SAC Office and choose something that interests you. The SAC also has a housing board, ride board, fax services, lost & found and locker rentals.

Courtyard

Picnic tables are available for students who want to enjoy the outdoors between classes or during lunch in the courtyard.

Tutoring Services

The Learning Bridge is committed to helping students get the best grades. Tutoring is free of charge and available to any full-time student who is attending classes on a regular basis at Lambton College. Tutoring services begin the third week of each term.

Atkin Family Wellness Centre

The Atkin Family Wellness Centre is open to all students of Lambton College to assist with their health care needs. All services are confidential. The Wellness Centre is staffed by a Registered Nurse and part-time family physicians.

Campus Bookstore

The Campus Shop sells a variety of stationary products and Lambton College paraphernalia such as sweatshirts, t-shirts and lanyards.

Residence

Lambton College Residence is home to over 280 students and is a great place to meet friends, socialize, relax, study and grow. It is only a short walk to classes, retail outlets, recreational facilities, restaurants, a movie theatre, and a wide variety of on campus student services.

Counselling

Full-time students have access to academic and personal counselling on-campus. As a prospective student, you also have access to academic counselling.

Prayer Room

Our faith room is open to all religions. Muslim students have access to the prayer room for their daily prayers. Prayer rugs are available.
